ABOUT OUR COMPANY

We are a professional solar installation company with lots of varied experience in the field.

We pride ourselves in providing top quality products at the most affordable prices possible and have installed many high performance solar PV systems across Australia.

Company History

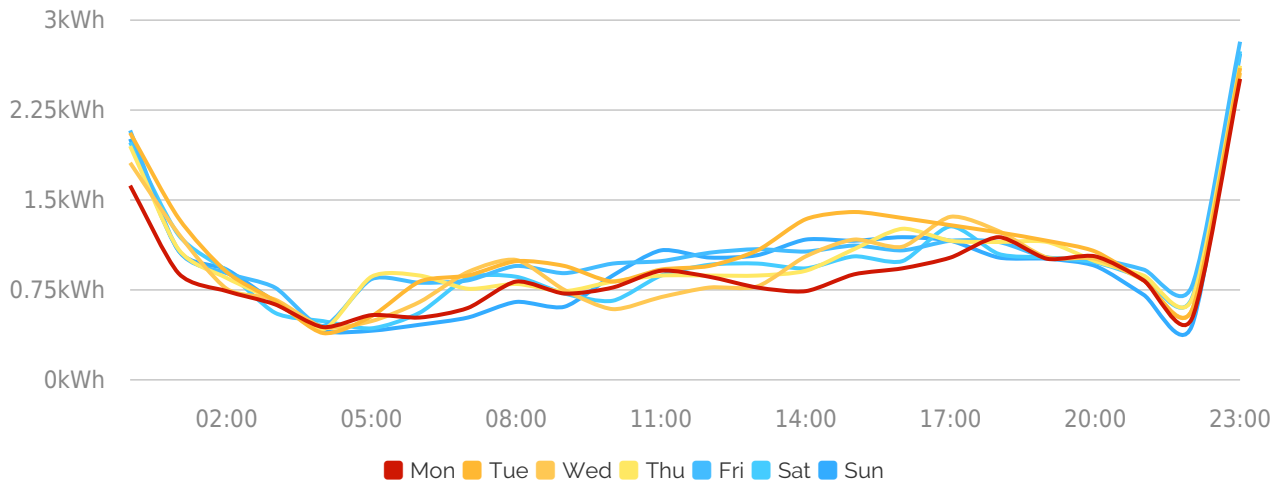

Solar Proof Pty Ltd was founded in 2018 by our director who wanted to offer a cheaper solution for energy customers who also value sustainability.

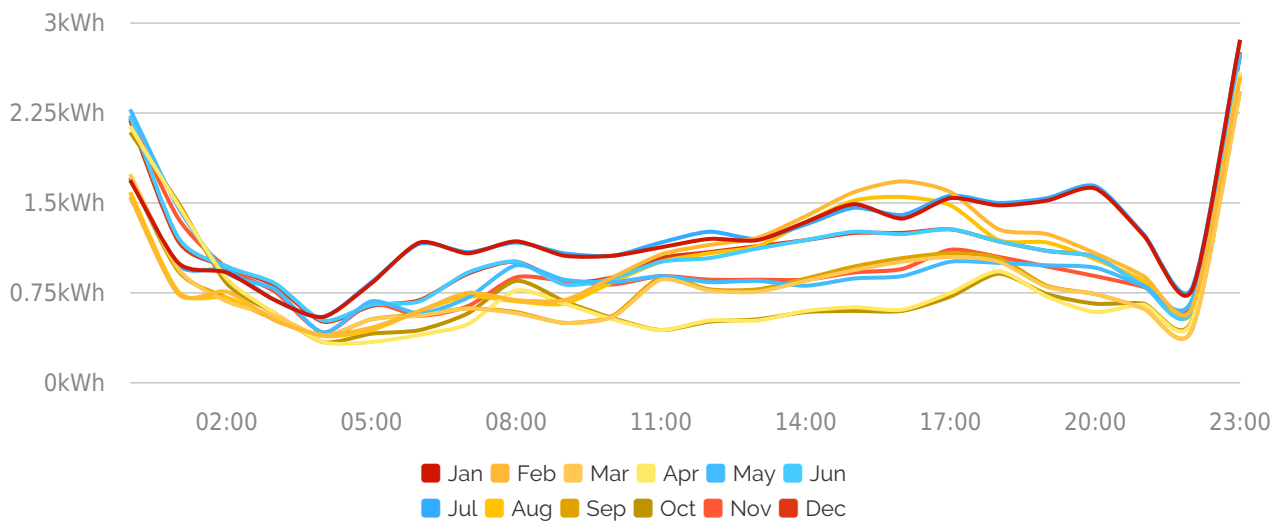

YOUR ENERGY PROFILE

We have thoroughly assessed your energy use to determine the best solar solution to fit your needs.
